

Meeting Room Furniture - Tables

EasyFold® meeting room tables

Rugged folding tables for decades of use

A range of modular folding tables that enable you to create alternative layouts to match your requirements. Heavy duty folding legs with adjustable feet provide a stable base when erected, the table is only 75mm deep when folded flat. Available in beech effect finish with tough ABS edging, complimented with black under frame and legs. Fixing links are available to join tables for more permanent configurations.
