

Eyeline® Presenter wall screens

Manual pull down projection screen with black borders to all 4 sides that enhances the projected image providing a professional presentation

- Good quality matte white woven cloth
- Square 1:1 screen allows for multi format projection
- Optional extension brackets for clearing obstructions
- Pull rod available for use with high mounted screens
- Wall/ceiling fixing through end caps mounting bracket

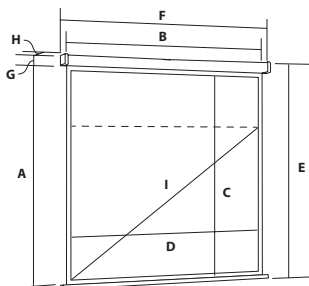

210304

NEW SAFETY RETRACTION

All of our manual projection screens now feature a simple slow safety retract mechanism (SSR). Simply release the screen from its open viewing position and let it glide back in to its case unaided. SSR, replacing difficulty with simplicity and safety.
