## Metroplan Write-on Vitreous Enamel Steel Whiteboards

By Metroplan Limited

### Detailed description

The vitreous enamelled steel surface is an excellent drywipe surface. The enamel coating is baked at over 800°C, giving a durable hardwearing surface that is guaranteed for 25 years of use. The surface also has the advantage of accepting magnets to affix maps/ charts, prepared notes and posters. Available in a choice of eight popular sizes, and supplied with pen tray and concealed through the corner fixings.
