

# Eyeline® Floor portable projection screens

This practical floor screen has been designed for maximum portability. Three sizes in each format are available to suit your projection needs.

All products carry a minimum 12 month guarantee.

## Projection format

Available in all popular projection formats Square 1:1, Video 4:3 and Widescreen 16:9

## Material & borders

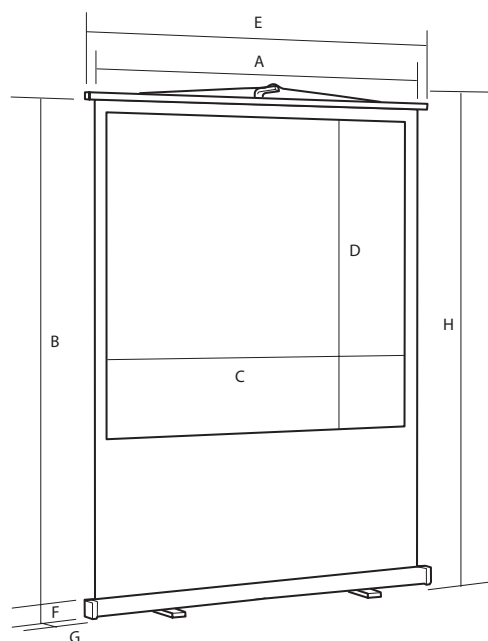

Durable matte white projection material is washable. Black borders and base around the projection area.

## Operation

Fast and easy to setup - simply rotate the stabilising feet, fix pole support to the case and raise the screen into position. Pole support offers height adjustment and is supplied with integral keystone eliminator.

## Portability

Screen case features an integral carry handle for ease of mobility and storage. Pole support attaches to screen case when not in use.
